Aims and scope

This congress aims to provide an open forum for presentation and insightful discussions about researches in the field of insects of medical and veterinary interest. It will bring together potential researchers and academics from all around the world in order to exchange their ideas and latest advances in the field of entomology.

The congress offers excellent networking opportunities and includes events for scientists to boost their career development and gain new perspectives. It will focus on all researches areas of insects of medical and veterinary interest as well as any aspect related to the ecology, genetic and physiology. Communications on vector surveillance, economic impact and control will be important issues too.

Topics

The main topics include, but are not limited to, the following:

1. Vector bionomics: vector biology, ecology and vector-host interactions.
2. Entomo-genomic, molecular diversity and population genetics.
3. Vector surveillance and risk management: surveillance and epidemiology.
4. Plasticity, adaptability to global climate change and insecticide resistance.

Various topics: Forensic entomology, Emergent and re-emerging disease vectors, Ecotoxicology of pesticides and human health impact.

Instructions for authors

Abstracts (200 mots) should be written as follows: Title: Times New Roman (14) bold. Authors: Times New Roman (11), bold. Affiliation and Email: Times New Roman (10). Abstract text: use A4 paper setting, 2.5 cm margins at all sides, single-spaced, Times New Roman (12). Keywords: 5 words, Times New Roman (11).

Posters size: 100 x 80 cm.

Congres languages: English and French.

Registration Form

First Name
Surname.....
Function and degree.....
Institution :.....
Country/City.....
Tel.....
E-mail.....
Topic.....

Participation
oral presentation or poster presentation

Abstracts should be submitted by email at :
icmve2023@gmail.com

The object of the E-mail should mention the acronym of the Congress and the number of the topic you are willing to participate in.

Exemple of E-mail object: 1st ICMVE 2023 – Topic 1; 1st ICMVE 2023 – Topic 2 ... etc ; or 1st ICMVE 2023 – Various Topics.

Registration Fees

Category	Local participants	International participants (€)
Researchers	10 000	200
Students	6 000	100
Professionals	7 000	150

Fees will cover congress documents, admission at all sessions, tea break and lunches.

Important dates

Submission deadline: 15th October 2023
Notification of acceptance: 30th October 2023
Final programme: 15th November 2023
Congres dates: 28th – 29th November 2023

Visa and accommodation

Entry visa to Algeria is required for all nationalities (except Tunisians and Libyans). Participants should approach Algerian embassies or consulates in their respective countries.

A list of hotels of the city with their coordinates will be sent to accepted participants.
