

LMAM

Laboratoire de mathématiques appliquées et de modélisation

ICMAM'25

2nd International Conference Mohand Moussaoui on Applied Mathematics and Modeling

December 15–16, 2025

Topics

- Optimization
- Numerical Analysis
- Integral Equation
- Artificial Intelligence
- Differential Equations
- Operator Theory
- Fixed Point Theory
- Fractional Calculus
- Probability and Statistics
- Other Topics

Registration fees

- PhD Student: 3000 DZD
- Teacher/Researcher: 6000 DZD
- Participation with accommodation (1 night): 10000 DZD
- Participation with accommodation (2 nights): 15000 DZD
