The First International Conference on Mathematical Sciences and Applications
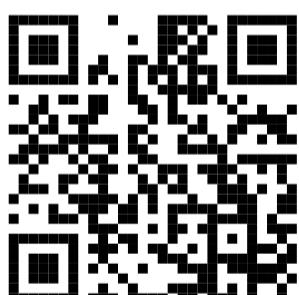

May 2nd and 3rd, 2023

Topics

- Algebra
- Numerical Analysis
- Functional Analysis
- Dynamics and Lie Theory
- Geometry
- Operator Theory
- Number Theory
- Mathematical modelling
- Probability and Theory of Computation
- Ordinary differential equations
- Partial differential equations
- Inverse Problems
- Fractional Calculus

University 8 mai 1945 Guelma
B.P. 401, 24000 Guelma, Algeria

Scientific committee

Salah Badraoui (Chair)
Guelma University

Abdeljawad Thabet
Prince Sultan University

Nabil Mlaiki
Prince Sultan University

Allaberen Ashyralyev
Bahcesehir University

Fahd Jarad
Cankaya University

Mohammed Al Refai
Yarmouk University

Aref Jeribi
Sfax University

Wael W. Mohammed
University of Ha'il

Qasem Al-Mdallal
United Arab Emirates University

Markus Schmidmeier
Florida Atlantic University

Fairouz tchier
King Saud University

Ardjouni Abdelouaheb
Souk ahrass University

Khaireddine Fernane
Guelma University

Bousstilla Nadjib
Guelma University

Mohamed Dalah
Constantine University

Baderreddine Meftah
Guelma University

And others …

Organizing Committee

Hamid Boulares (Chair)
Guelma University

Abdourazek Souahi
Annaba University

Kheireddine Belakroum
Constantine University

Dounia Belakroum
Constantine University

Hamid Boulares
Guelma University

Abbes Benchaabane
Guelma University

Tarek Chiheb
Guelma University

Ali Ahmed
Guelma University

Faycel Bouchlagem
High School of G., Annaba
